Waterways

The map displays the City of Madison, Wisconsin, divided into planning districts. The districts are color-coded based on their land area in acres. The largest districts (1,000 - 1,360 acres) are colored navy blue and are primarily located in the eastern and southern parts of the city. The smallest districts (250 - 374 acres) are colored yellow and are scattered throughout the central and western parts of the city. The map also shows the four major lakes of the area: Lake Mendota, Lake Monona, Lake Wingra, and Lake Waubesa. Major roads and highways are indicated by grey lines with shields for routes 12, 14, 18, 51, 90, and 94. A north arrow and a scale bar (0 to 2 miles) are located in the bottom left corner.

Highways

Major Roads

Waterways

The map displays the City of Madison's 2009 Planning Districts, color-coded by the percentage of the White population. The districts are categorized into five ranges: 21.2% - 51.8% (lightest yellow), 51.9% - 73.1% (light green), 73.2% - 83.0% (teal), 83.1% - 88.2% (dark blue), and 88.3% - 96.4% (darkest blue). The map includes major roads and highways, as well as waterways (lakes). The highest percentage of the White population (88.3% - 96.4%) is concentrated in the eastern part of the city, particularly in the area around Lake Monona and Lake Waubesa. The lowest percentage (21.2% - 51.8%) is found in the western part of the city, near Lake Mendota. The map also shows the locations of Lake Mendota, Lake Monona, Lake Waubesa, and Lake Kegonsa. Major roads and highways are marked with their respective numbers (12, 14, 18, 51, 90, 94).
