

# WISCONSIN'S GRAYING POPULATION

TREND OVER TIME FOR WISCONSIN:  
percent of people age 65 or older

percent of people age 65 or older

**MILWAUKEE** is the least gray county: only 14% of people are 65 or older

**BUT WAIT!**

A lot of people live in Milwaukee County! 14% comes to over 134,000 people, which makes it both the least gray (by percent) AND the most gray (by number of people)
